BESLER BALE BED

3000
SERIES

The Besler Bale Loader combines the convenience and comfort of a pickup cab with the ability to haul 2 bales of up to 2,200 lbs. each. The synchronized squeeze arms center the bale on the bed.

Rack feed or unroll bales for pasture feeding all from inside the cab with fingertip control. With 35 years of Bale Loader manufacturing experience, Besler Industries, Inc. builds a heavy-duty loader for your demanding use.

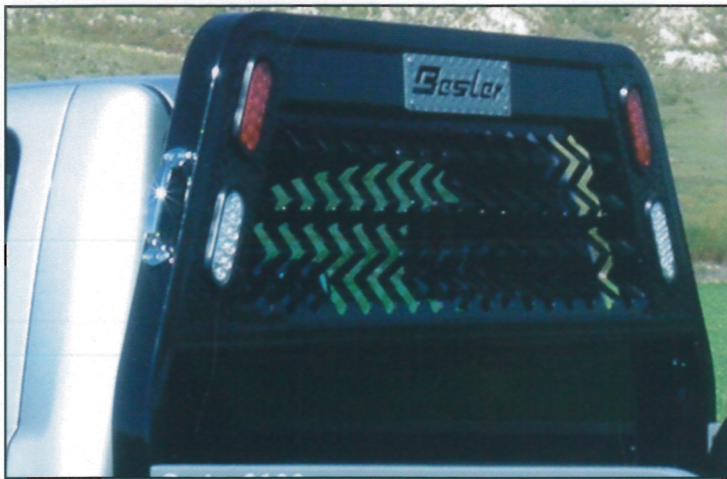

Easy to load, Unload, Unroll and Carry Bales

Standard Equipment

- Dual lift cylinders
- Tie down rails with stake pockets
- Removable side boards
- Synchronized squeeze arms
- Gas springs on back door
- LED lighting
- 6 pole and 7 blade trailer connectors
- New style headache rack
- 15" Spinners
- 30,000 lb recessed 5th wheel ball
- Receiver hitch
- Metal shield protects power unit from debris
- Chrome grab handle

Besler Features

- Free floating arms provide a smooth ride for lopsided or frozen bales
- Choose between 12 volt electric over hydraulic or live hydraulic power
- Advanced pivot arm design won't build up with wet hay or freeze in the winter
- Provides controlled feeding; unroll only what you need
- Drop bales into the feeder without leaving the cab
- Constructed with 11 gauge deck plate and 6" stringers
- Available in lengths ranging from 91"-147"
