

Besler Bale Bed Options

Chrome Grab Handle

The chrome grab handles can be attached to each side of the headache rack as shown. The mounting bracket is already welded on the new style headache racks.

Part #: 17693

Description: 8" Chrome Grab Handle

Price: \$11.81

Wireless Remote

The wireless remote control is designed to run the functions of the bale bed within a range of 25' of the bed. It will plug and play with a hardwired control cord giving one the option to have two means of running the functions of the bale bed. It will run three valve sections and an on-off switch.

Part #: 10392

Price: \$440

Fuel Fill Dish

The stainless steel fuel fill dish can be added to the bale bed upon installation if desired.

Part#: 17296

Price: \$22.09

Extendable Arms

The Extendable Arms option allow one to extend the arms up to 26" farther than a standard arm with the touch of a button.

Part #: 13670

Description: 26" Extension of Arm

Price: \$2622

Cross Bed Toolbox

The Cross Bed Toolbox mounts against the headache rack and provides a spacious place to keep your tools. There is a handle on each side and it can be locked with a padlock.

Part #: 10922

Description: 6'L x 20"W x 12" to 6" Taper

Price: \$680

Spinners

The standard spinner on the bale bed is 15" in length. The 21" spinner is an option that is typically used when handling 4' bales.

Part #: 10923

Price: \$102.82 ea. (2)

Will also need:

Part #: 10656

Price: \$8.62 ea. (2)

These toolboxes add more room for safe storage. Comes with locking T-handle. They are powder coated with greaseable hinges.
