Besler Single or Double Basket Assembly

Finish the job right with the Besler Single or Double Basket Assembly. The ground driven rolling baskets will break up the clods and knock down the existing stalks to provide a smooth level surface. This is an excellent alternative to a conventional harrow.

Features

- ◆ Eliminates bunches or piles of stalks
- ◆ Helps to mix dirt with the stalks for quicker decay
- ◆ Fits most any Stalk Chopper with a 7x7 toolbar
- ◆ Available in 3', 5', 6', 7'6", 9', 10' & 12' lengths
- ◆ Basket assemblies can be locked in up position for storage or when not in use.
