

Quality Built Since 1973

Contractor Tool Boxes

The wrench hangers have 2 wider spaces in them to make it more universal for hanging cords or possibly rubber Mallet. The toolbox is all black, changed colors on some parts so they can be seen. You can see the partition behind the screwdrivers has large access holes some if something drops you can easily open bottom doors and reach back in there to get it. There is a bracket under shelf to hold screwdrivers upright.

15" Toolboxes all have mounting brackets for drawers same mounting plate is used for all 3 setups

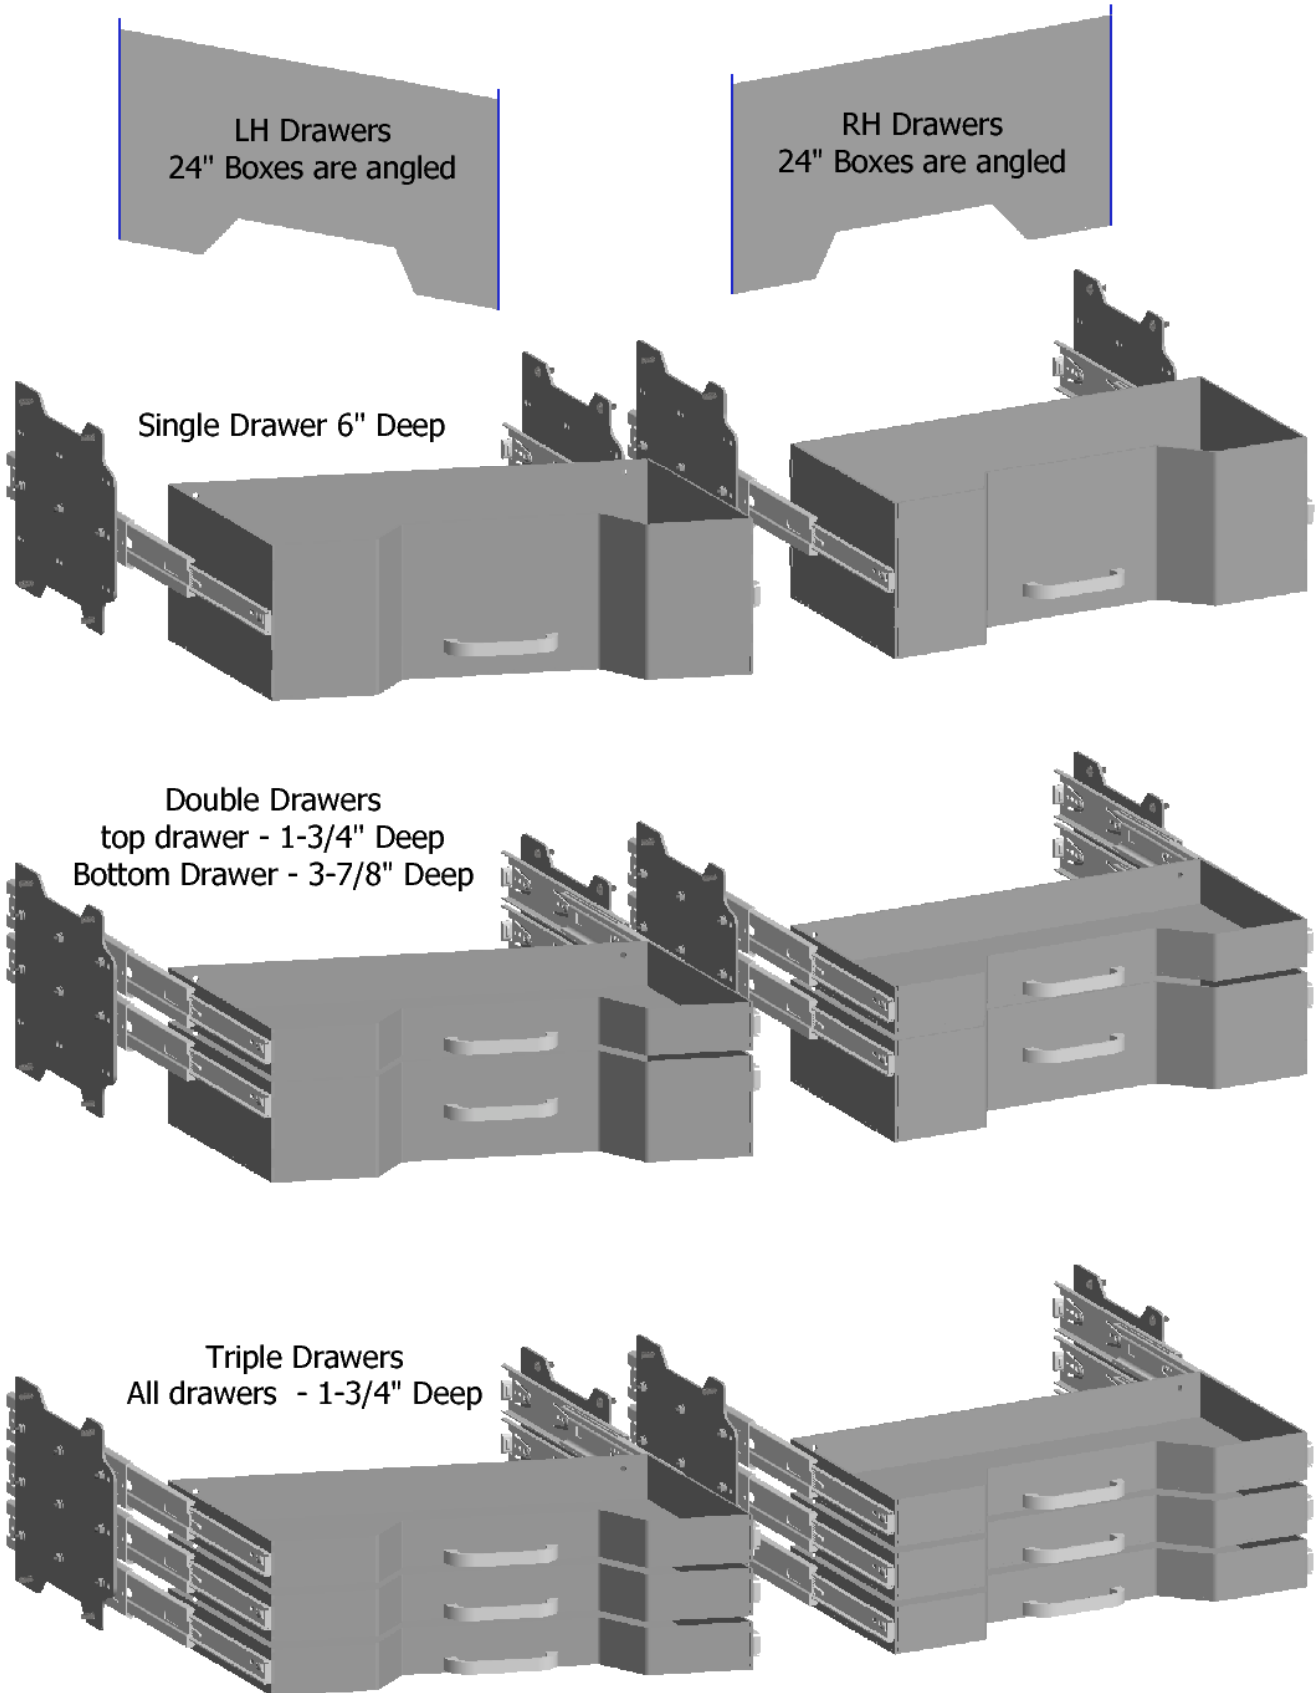

LH Drawers
24" Boxes are angled

RH Drawers
24" Boxes are angled

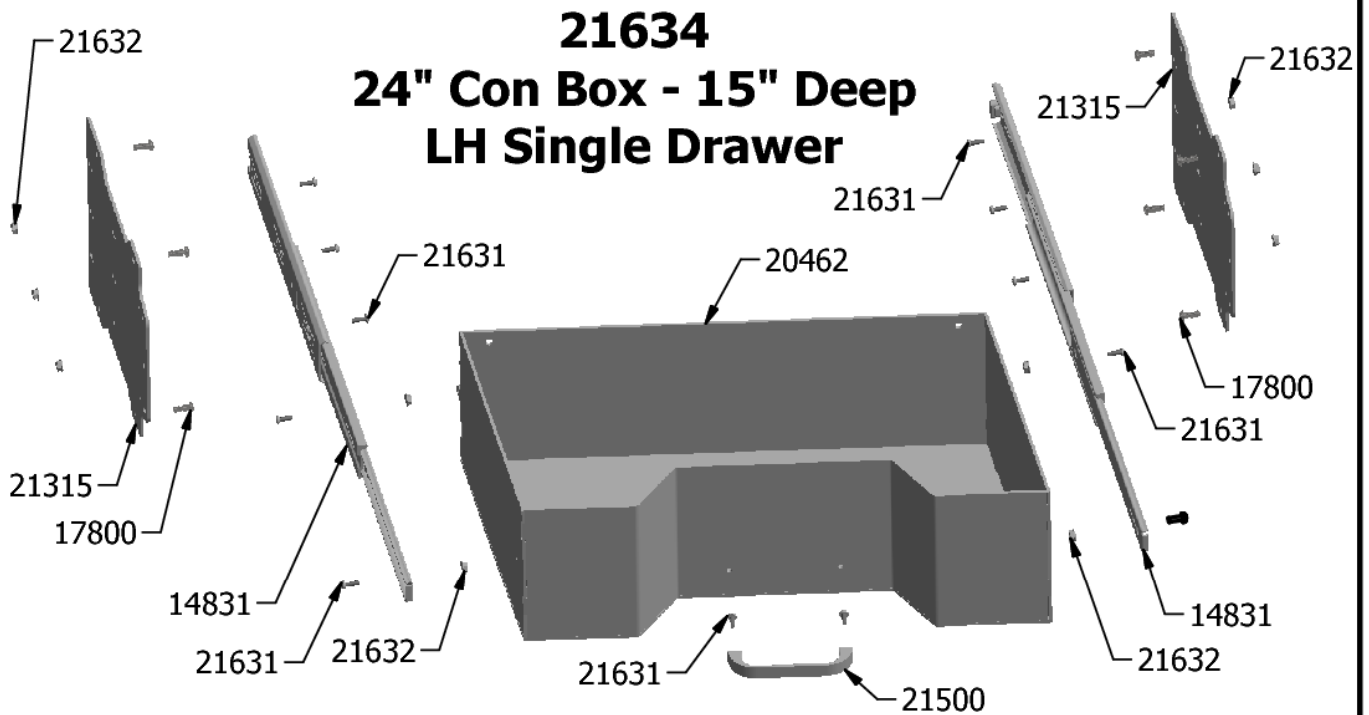

Single Drawer 6" Deep

Double Drawers
top drawer - 1-3/4" Deep
Bottom Drawer - 3-7/8" Deep
